### A Message from Chief Williams

We understand how difficult it is to dispose of expired medications properly and safely. The East Vincent Police Department offers a secure medication drop box located in the Municipal Complex. Please bring your unwanted medications to the drop box during hours of operation Monday-Friday 9am to 5pm.

In the near future, we are hoping to supply a new way for residents to dispose of unwanted prescription drugs safely in their trash. Be on the lookout for more information soon.
