LATEST UPDATES

Community Day Registration

Community Day is quickly approaching on September 10th from 11 a.m. to 2 p.m. at the Park on the Ridge! If you're planning to attend, residents are encouraged to complete the pre-registration for food to ensure meals for your household. This service is provided FREE only for Township residents. Registration **closes** September 1st - any registrations received after that date may not be honored. There will be tons of fun including moon bounces, crafts, pony rides, cotton candy, rock climbing wall, and more! We could use your help in lending a hand with setup and clean-up. For more information on volunteering, food registration, and more, click the 'register' button below!

Spring City Library Upcoming Event

Do you enjoy reading a different book every month? If so, join Claire from the Spring City Library as she leads a wonderful discussion over Zoom! The August book selection is **The Vanishing Half by Brit Bennett**. The September book selection is **Nomadland: Surviving American in the Twenty-First Century by Jessica Bruder**. The August Book Club gathering will be held August 25th from 7 PM to 8 PM via Zoom. To register for the event click here!

Historical Commission Lecture in the Park

The Historical Commission is hosting a "Lecture in the Park" on August 20th at 7:00 PM in the Park on the Ridge. The lecture will be presented by Bill McGowan about "The Brandywine War". Come out for this wonderful event!

Park & Recreation Board - August 23rd at 7:00 PM

Historical Commission - August 24th at 7:00 PM

*In-Person and Zoom Attendance Options Available

A Message From Chief Williams

The Township is partnering with Deterra Drug Systems to offer a new way to properly and safely dispose of expired or unwanted medications from your home. The Drug Deactivation System comes in a small bag that once used goes right in your household trash. It is a simple, safe medication disposal system that prevents drug abuse by permanently deactivating unused pills, patches, liquids, creams and films. Deterra Drug Systems are available at the Township Office during regular office hours. Please limit one per household.

Blood Drive at the Township Building!

On September 14th from 2 PM to 7 PM, the American Red Cross will be hosting a Blood Drive at the Township Building. The previous Blood Drive had a full roster. Help us provide even more donations this time by participating. Registration is required using the below link. Donate Blood, Save a Life! To register to donate click here:

Recycling

Unsure of how to properly recycle household items? The Chester County Solid Waste Authority has a wealth of information on how to properly recycle a number of household items. To find this information regarding Household Hazardous Waste Events and other useful recycling information, click below:
