Trick or Treat in the Park!

Calling all you ghouls and goblins! Join us for "Trick or Treat in the Park" located at the Park on the Ridge on October 23rd from 2-4PM.

This event is presented by East Vincent Township in partnership with East Vincent Elementary PTA. You can sign up as a community group, local business, or individual to have a "Trick or Treat" table. Decorations and costumes are strongly encouraged! BYO treats and candy to hand out. Space is limited, please see website for more information and to register. Please no vehicle/trunk decorations as this is not a "Trunk or Treat" event. Click on the pumpkin to register! ->

Historic East Vincent Treasure Hunt

The Historical Commission has created a Treasure Hunt of 15 landmarks in the Township. If you are interested in participating in the the Treasure Map can be found on the Township website. Entries are due to the Township Office by **November 10th**. Each location has a skull coin posted in a prominent location with a QR code. Scan the QR code upon arrival and read the history of the landmark. There are questions for each location contained on the webpage and fill in your answers on the form. We love photos, feel free to share yours! Click on the treasure map for more information and to access the form! ->

Pin Oak Seedlings Available!

The Township Office still has some pin oak seedlings available for residents to pick up on a first come, first served basis. Pin Oaks are native to Pennsylvania, grow to 60-70 feet tall at maturity, and display beautiful fall foliage during the change of seasons. Stop by the Township Office any time during office hours to pick one up with a fact sheet to learn more. Thank you to the Environmental Advisory Council for putting together this helpful information.

Chester County Health and Wellness Survey

The Chester County Health Department launched its community health assessment survey this week to assess the health and well-being of those who live, work, or go to school in Chester County. The assessment, conducted every three years, creates an important opportunity to improve the health of Chester County Residents. The information collected will help identify community strengths, prioritize health needs, and guide the development of a community health improvement plan.
